

Summer Horsemanship instructors from 2018 are headed to **Slovenia and Italy** in May to teach horsemanship schools! Instructors, Carly Fronckowiak, Jarrett Haydon, and Katie Wright have been selected and are needing **your support**.

Each individual has been challenged to fundraise \$500 to cover travel expenses. Would you consider sponsoring this extraordinary experience for an

instructor? **Study abroad programs** are vital to student learning experiences. SHS is proud to now offer instructors the opportunity to use their horsemanship skills overseas. If you want to help, please contact program director Chelsie Huseman chelsie.huseman@tamu.edu

SHS AND THE TEXAS STATE 4-H HORSE SHOW ARE JOINING FORCES! ALL 2019 SHS PARTICIPANTS WILL RECEIVE ONE STALL VOUCHER FOR THE STATE 4-H HORSE SHOW AT THE BRAZOS COUNTY EXPO JULY 21-27.

Where are they now?

Dr. Karen Elrod Davison was a Summer Horsemanship School Instructor in 1983. She credits her education at Texas A&M and her involvement with the Texas A&M Summer Horsemanship School Program with giving her knowledge, a network of valued mentors

and life experiences that have been tremendous assets throughout her life and career. Karen currently is the Director of Equine Technical Solutions for Purina Animal Nutrition and lives in Gonzales, TX with her husband James.

Registration to host a SHS is open at:

Select a 2-Day or 3-Day School between May 30th and July 2nd

“Please contact your local County Extension Office to support and encourage the efforts for scheduling schools at the most local level. A 2 or 3 day school can be so meaningful in really jump starting or strengthening a county horse project club for the youth and the volunteer leaders both. Looking forward to the next reunion of great folks who have started and still work to keep this great educational tradition alive and meaningful in Texas.”

Pete G Gibbs, Horse Specialist & Associate Director Emeritus - Retired
